COUNTY OFFICIAL PAPER.

D. E. O'KEEFE.....EDITOR AND PROPRIETOR

UNWISE ENDORSEMENT

We believe the Republican county committee acted unwisely in endorsing the candidacy of Judge Lorigan for Supreme Justice. By doing so they weakened the chances of Judge Henshaw, who is also an aspirant for the Supreme bench. Mr. Henshaw is a resident of this county, has spent much money in this community and we all have a feeling of pride that such a man lives with us. His candidacy should receive the united and enthusiastic support of the delegates from this county. Their hands should not be tied by the endorseement ofany other candidate. They should stand as a solid wall behind Mr. Henshaw. In our judgment the county committee had no more right to endorse Lorigan than they had to endorse Curry for secretary of state or Colgan for controller. Judge Lorigan does not live in the county and has nothing in common with us. The delegates will go to Santa Cruz practically asking the nomination of two Supreme Justices from the same locality. We notice that Santa Clara county has pledged all its delegates for Lorigan but has said nothing of the candidacy of Judge Henshaw. The delegates from this county to the state conventions as a rule are never united and hence their failure in securing any recognition. Whenever Alameda county has a favorite son for a state office it sends a united delegation to the convention that gets behind the candidate and with concentrated effort generally secures his nomination. We remember at the convention held at Sacramento four years ago Alameda sent a solid delegation for George Pardee for governor. The doctor had not more than twenty other delegates, yet he was able to tie up the convention until a break came and he secured the nomination. There was four ballots taken and when Alameda was called Congressman Metcalf, now secretary o commerce and labor, as chairman of the delegation, arose and with strong emphasis said, "Alameda casts her ballot first, last and all times for George C. Pardee." The effect on the delegates was apparent. Had the delegation wavered in any way Pardee would never have been governor, that honor would have fallen to Henry T. Gage. Our delegates should be free to work for Judge Henshaw but by the resolution adopted by the county committee they will be somewhat handicapped in that they will feel it improper to make trades as against Lorigan for the local candidate.

NO FAVORITE.

The Times-Gazette has no favorite son for Governor but it is unalterably opposed to the renomination of Dr. Pardee for the reason that he has always shown a disposition to look lightly upon any request made of him by the people of San Mateo county. A few favors were asked of him and they were politely ignored. He seems to think that San Mateo does not appear upon the map. This county is one of the banner Republican counties of the state, always rolling up a large majority for that party and ought to be considered. Governor Pardee is not the choice of the people of the county. They want a man as chief magistrate who will listen to their appeals and give them the consideration that is due them and this they will never receive from the present chief executive.

BOND ISSUE.

Taxpayers who desire a low rate of taxation should turn out enmasse next Wednesday and vote for the courthouse bonds. Should the bonds be defeated a direct tax will be levied and this will be a burden that property owners cannot afford to bear at this time. A courthouse must be built to protect the records of the county and the supervisors will build one by a direct tax if the bonds fail to carry. This is something for all taxpayers to ponder over It is up to them.

The bond election to secure funds to build the courthouse takes place next Wednesday. Vote for them and give the property owners low taxation.

Telephone Black 371 for dry goods at Henry Marcus'.

Heroes, All of Them.

A fire started in the field back of the McDevitt's place, owned by W. J. Dingee and but for the heroic efforts of Mrs. McDevitt and daughter and lady friend the two canyons know for their lovely ferns would have been destroyed. Word was soon sent to town and a force of 25 men sent by Mrs. Dingee were fighting the fire which spread over the hills burning the tall grass. No serious damage was done. It is not known how the fire started but suppose some hunters or smokers were careless.

FOR SHERIFF

The undersigned respectfully announces himself a candidate for Sheriff, subject to the action of the Republican County Convention.

P. H. McEVOY.

A telegram was received of the death of Chan Reed, a former resident of this place. No particulars are at hand.

A. Folger, one of the heavy stockholders of the Ocean Shore R. R., passed through here with a party a few days ago, and in his talk with the people here, assured them of the resumption of work, and that in a very short while, there would be men working all along the line.

The hunters here are taking advantage of the open season for deer and a few have been killed. Arthur McCormick last week killed two, so far he holds the honors.

A. Barghatta went over to Redwood last Saturday with a couple of Swiss to get their naturlization paper Fred Gianola who has been spending his vacation here with his parents reutrned to the Sequoia high school last Sunday.

L. Chandler is having a concrete foundation put under his house, and the place put in proper repair, that was damaged by the earthquake. C. Mills of Mountain View is doing the work.

P. H. McEvoy for Sheriff.

In another column will be found the card of P. H. McEvoy announcing himself a candidate for the Republican nomination for sheriff. Mr. McEvoy will come before the convention and seek the nomination. Mr. McEvoy has done yoemanry service for the party in the past and hopes to be rewarded by getting the sheriff's office. Should he secure the nomination he will be elected beyond doubt He has a big following of loyal friends who will enthusiastically rally to his support.

Republican County Committee.

The County Republican committee met last Monday to appoint delegates to the Santa Cruz convention. The committee adopted a resolution endorsing the renomination of E. A. Hayes for congress and the return of Judge F. W. Henshaw to the supreme bench and favoring the nomination of Judge Lorigan for Supreme Court justice.

The delegates are: First district—W. J. Martin and C. T. Connelly; Second district—Geo. C. Ross and John P. Weller, Third district—John MacBain and W. A. Price; Fourth district—D. J. Lynch; Fifth district—R. E. Steele and C. J. Coburn.

AFTERNOON SESSION

The board reconvened at 1:30 pursuant to adjournment at the morning session. All members answered roll call.

The application of Daniel McSweeney for the removal of his liquor license from the property of Margaret Kelly at South San Francisco to another building in that town was laid over for two weeks owing to the absence of the petitioner. It was intimated that the parties to the controversy had come to an agreement whereby McSweeny would ask to have his application withdrawn.

John Pettee, who has been employed for some time in experting former County Auditor Barker's books, filed a partial report in which he stated he discovered a sum of money on hand amounting to about $147, which he could not account for. He had been called away for a short time on other work, and on its completion will return and file a full report, which he hoped would be ready by the next meeting.

Pike and Combs of South San Francisco petitioned the board for a license to peddle meat. The application was granted on motion of Eikerenkotter seconded by MacBain.

The application of M. Alvis of San Gregorio that was filed some time ago for a peddler's license to peedle fruit and vegetables was indefinitely deferred owing to the fact that the applicant had been recently committed to Agnews.

P. J. Maloney, through his attorney, H. A. Luttrell of Oakland, presented the following communication:

To the Honorable, the Board of Supervisors of San Mateo county.

Gentlemen: The records of your honorable board show that at an adjourned meeting held on September 28, 1896, the following proceedings were had and taken.

"In the matter of the new Alpine Road in the Third Road District leading from Martinez's Gate to Wilson's Hill, H. B. Morey, Geo. H. Rice and John MacBain, the arbitrators heretofore appointed to examine and report upon the work performed and materials furnished by P. J. Maloney under his contracts and for extra work on said road, submitted thei written report showing a balance due said Maloney on said road of $3015.37, was duly presented and read, and on motion of Supervisor Adair, seconded by Supervisor Brown, said Report of said Arbitrators was unanimously accepted."

That $1500 was paid on account of said indebtedness, but the balance due thereon together with the interest, is still due and unpaid."

Wherefore the undersigned asks that your Honorable body order that payment be made.

Yours Respectfully,
P. J. MALONEY.

The claim is for the work done on the Alpine road in the Third township in 1896 during the administration of P. H. McEvoy. The matter was thoroughly thrashed out at that time. The claim was bitterly opposed by McEvoy who alleged the work was not done according to contract. arbitrators were appointedand Maloney was awarded $3,000 but on motion of McEvoy only $1500 was allowed on the award.

Mr. Luttrell said that the report of the arbitration committee was a virtual acknowledgement of the justice of the claim, and had it been properly entered it would have constituted a judgement against the county. This omission, he contended, was merely technical and he believed the board would not take it into account. It might also be argued that the claim had been outlawed by the statute of limitations but it is not customary to take advantage of this point of law in the payment of public claims.

MacBain said that he believed that the county owed Mr. Maloney all or a portion of the claim and he stood ready to make a settlement if it could be legally done.. The matter was laid over until the next meeting.

On motion of MacBain seconded by Eikerenkotter General Geo. S. Evans W. R. C. was appropriated $32 for the care of the grand army plot in Union cemetery. This appropriation is made annually by the board.

Through their attorney, Hall C. Ross, A. S. Neal and other residents of Belmont petitioned the board for permission to excavate Ralston avenue for the purpose of laying a sewer to connect with the main on Ralston boulevard. The sewer is to be 1400 feet in length. The prayer of the petition was granted on motion of Eikerenkotter seconded by MacBain. The following resaolution was adopted granting the privilege.

A. S. Neal, Chas. A. Richardson and others having duly filed with and presented to this board of supervisors their written petition praying the permission of this board to open trenches in certain roads near Belmont in the Second township of said county and to lay and construct sewers therein, now therefore:

Resolved, That said petition be and the same is hereby granted and permission is hereby given said petitioners to open trenches and lay and construct sewers therein, in and along those certain roads, streets and avenues at said Belmont, towit:

1. Beginning at the northwesterly end of Walnut avenue at or near the property of Mary D. Ross and thence southeasterly along said Walnut avenue and Johnson street and to and across Ralston avenue to and where is laid the line of sewer pipe commonly called and known as "Reid's Sewer."

2. Beginning at the intersection of Walnut avenue and Middle road wher said first line of sewer pipe will cross same, and thence extending up said Middle rad westerly to or beyond the property of Richardson.

Provided and this resolution is adopted subject to the conditions that said streets, roads and avenues be opened with trenches and lines of sewer pipe be laid therein according to plans and specifications therefor prepared by the county surveyor of said county and subject to the direction and control of the supervisor from the Second Supervisor District of said county, and all earth, etc. replaced in such trenches in good workmanlike manner and to the satisfaction of said supervisor, and that persons other than said petitioners may and shall have the right to connect lateral sewers with said main lines of sewers, with the consent of this board any upon paying into this board for pettitioners or the parties in interest, a just proportion of the cost of such main lines of sewers to be fixed by this board.

A map of University Park laid out by J. George Smith and owned by E. F. Fitzpatrick was presented to the board and accepted on motion of MacBain seconded by Eikerenkotter. The customery resolution dedicating the streets delineated on the map to public use was adopted.

A map of the first addition of Farallone City, a part of the Halfmoon Bay Colony tract, was presented and filed and the following resolution adopted on motion of Debenedetti seconded by Coburn dedicating the streets delineated on the map to public use.

Whereas, J. R. Cunnynham, the owner and proprietor of a certain tract of land in the County of San Mateo, State of California, in what is known as the Rancho Corral de Tierra (Palomares), in the Fourth township, and being a subdivision of what is known as Lots Forty and Forty-one of the Halfmoon Bay Colony tract, San Mateo county, California, and has caused the same to be laid out and subdivided into lots, for the purposes of sale, and has caused to be made an accurate map or plat thereof, particularly setting forth and describing all the parcels of ground within such subdivision reserved for public purposes, by their boundaries, courses and extent and also lots intended for sale, by numbers, and their precise length, width and dimensions, said map being designated as "Map of First Addition to Farallone City, being Lots Forty and Forty-one of the Halfmoon Bay Colony tract, San Mateo county, California," said map having been made on the 12th day of April, 1906: and

Whereas, Said J. R. Cunnynham did on the 4th day of August, 1906, duly acknowledge the said map before J. F. Johnston, County Recorder in and for the County of San Mateo, State of California, and said County Recorder did on said day duly affix thereto his certificate of such acknowledgment in due form of law: and

Whereas, The aforesaid map or plat is now presented to this board for acceptance:

A communication was received from the California Lythographing company quoting figures for work in its line. The communication was ordered filed.

The following communication was read from W. H. Moore, an expert accountant from Salt Lake City. Sam was ordered filed:

Salt Lake City, Utah, July 27.

To the Honorable Board of county commissioners, San Mateo county, California.

Gentlemen: During the month of June, 1905, I mailed to you a circular letter from which I now quote as follows: " I beg to inform you that I have been making a specialty of the examination of the books and accounts of counties during the past fifteen years, and that I am familiar with every detail pertaining thereto. I have been employed by commissioners of thirty-two different counties, in different states, and the result of the many examinations made by me has fully demonstrated the fact that the accounts of county officials having the handling of money should be examined by an expert, at reasonable intervals. In almost every case where my work has disclosed shortages the same accounts had been gone over by local examiners and pronounced to be correct by them. I have found it both impracticable and unsatisfactory to name any price per day, for expert work, as commissioner usually desire to know the exact cost of such work, and I therefore submit propositions to do the work for a specified amount, which includes all expense.

Since mailing the circular letter above referred to, I have been employed by the Commissioners of the following named counties: Thpurston county, Washington; Lincoln county, Nevada; Ada county, Idaho; Boxelder county, Utah; Esmeralda county, Nevada.

I also examined and reported upon the books and accounts of Boise City, Idaho.

The most important results obtained from these examinations were as follows:

In Thurston county, Washington, the state paid back to the county by reason of my work $1,000. Two county treasurers were found short $180.29 and $47.20 respectively, and it was found that another county treasurer had made mistakes against himself of $177.41.

In Lincoln county, Nevada, two county treasurers were found short $1,760.09 and $1,243.02 respectively. Two county clerks were also found short $200.15 and $22.00 respectively.

In Ada county, Idaho, it was demonstrated that the county had paid to the state $7,375.94 in excess of the amount due the state. One county auditor was found short $350.60.

In Boxelder county, Utah, the accounts were found to be in fine condition and only one error of 30 cents was found.

In Esmeralda county, Nevada, it was found that the sheriff had retained in his hands something over $4,000 which he claimed was per centage belonging to him for his services in the collection of licenses, personal property tax and bullion tax. The commissioners of that county being of the opinion that the sheriff was only entitled to his regular salary and that all collections made by the sheriff should be turned into the treasury, and a suit is now pending to determine the matter.

I am mailing to your chairman, today, a copy of my report to the commissioners of Esmeralda county, sioners of this county also shows that Nevada. My report to the commissione auditor and recorder paid $280.00 into the treasury in excess of the correct amount of fees collected, which was ordered returned to him.

I would be pleased to hear from you at any time and tosubmit an estimate as to the cost of examiuing the books of your county.

I am Respectfully yours,
